DRAYTON VALLEY, ALBERTA
WEDNESDAY, JULY 30, 1969

Drayton Valley Cadets at C.F.B. Penhold

Air Cadets from Drayton Valley Squadron No. 733 are shown here at summer camp at C.F.B. Penhold. Back row, left to right, D. Brisebois, G. Hart, D. Wickland, P. Coppens, G. Swap, R. LaPointe and D. Wensley. Front row, left to right, O. Saucier, J. Romanchuk, X. Coppens, C. Selin, Z. Reinhart and Capt. Johanneson.

Income Tax Rebates Start Next Month

Next month all current customers of private investor owned electric and gas utility companies will begin receiving the benefits of the Utility Companies Income Tax Rebates Act. These benefits will take the form of a "Provincial discount" on power and gas utility billings commencing in August or soon thereafter, the Hon. A.O. Aalborg, Alberta Provincial Treasurer said today.

The purpose of this program is to place the customers of private investor owned utility companies in the same position as customers of publicly owned utility companies insofar as income tax is concerned.

Income tax rebates to natural gas customers will begin with billings for natural gas service based on meter readings after August 1st. David B. Smith, senior vice-president operations, of Northwestern Utilities, Limited, said last week. The rebate will amount to approximately \$12 a year, on an annual bill of about \$122 for the average residential customer in Drayton Valley.

Plan Improvements At Marmot Basin

OTTAWA -- A Calgary firm has been awarded an \$897,786 contract for construction of an access road and parking facilities in Jasper National Park, Public Works Minister Arthur Laing announced this week.

The contract was awarded to Standard General Construction, with the lowest of seven bids received.

A seven-mile road will be constructed to provide access to the Marmot Basin ski area in the park. Work will include an 800 car parking complex. Stripping, grubbing, grading, laying of base course and installation of culverts will be carried out under the contract.

Post Offices Closed

G.G. Walker, District Director of Postal Service, Edmonton District, has announced the closing of post offices at Fisher Home and Yeoford, Alberta. The closure becomes effective July 31st.

Bread is the staff of life, but there is no reason why our life should be a continual loaf.

Girls Pass Top Skating Test

The air in the Civic Centre was filled with emotion last Sunday morning as Paddy Kennedy and Paula Venn, both of the Gateway Figure Skating Club skated the figures of their eight test. This is the highest figure skating test awarded in Canada.

The three judges and three trial judges conferred, examined and re-examined the tracings then the referee spoke to Paddy and most of the spectators started to cry, even some of the men were seen wiping their eyes. Paddy had passed.

A few minutes later a very similar scene was repeated when Paula passed the same test.

Both girls, Paddy 17 and Paula 16 years will now go on to try for the American eight figure, but on August 24th, in Drayton Valley they will attempt for a gold medal in Free Skating and Dancing.

In the meantime however, both girls are still about two feet off the ground.

183 figure skating tests were held in Drayton Valley on Saturday and Sunday with more than a 50% pass. Candidates from the western provinces were competing for upgrading.

The Drayton Valley Summer Skating School will continue until August 24th when a further set of tests will be carried out. Judges from Edmonton and Calgary will appraise the ability of the candidates.

Each Sunday there is public skating and on August 3rd and 10th a Pops Concert will be held. This takes the form of a small ice show. All practice sessions are free and everyone is invited to come and watch.

Harry Nevard, director of the summer skating school extends congratulations to Paddy Kennedy (L) and Paula Venn, both of whom successfully skated their eighth test Sunday morning. The eighth is the highest figure skating award in Canada.

VOTERS REJECT SCHOOL PROPOSAL

Voters in the Edson-Stony Regional High School District, involving the County of Parkland and the Edson School Division, rejected the proposed new high school at Evansburg by a margin of 47 votes.

Results of the plebiscite held Thursday, July 24th, on the \$1,350,000 bylaw for the school showed 674 voted against the bylaw and 627 in favor. There were 41 spoiled ballots.

The count recorded is unofficial but an official count to be held Tuesday, July 29th is not expected to vary the results to any great extent.

In the County of Parkland 444 votes were cast with 179 in favor of the project and 247 against. Eighteen ballots were spoiled.

In Edson School Division the total vote was 898 with 448 in favor and 427 against. Twenty-three ballots were spoiled.

Poll by poll results were as following:

	For	Against
Winterburn	4	12
Spruce Grove	5	9

Entwistle Family Wins Farm Award

The Edward Galpin family of Entwistle was among twenty-four Alberta farm families honored recently by the Edmonton Exhibition Association for their contribution to agriculture.

In drafting the Farm Family Award program the Exhibition Association sought nominations from 32 areas covering the province from Red Deer north. Purpose of the program was to focus attention on the agricultural competitions and exhibits to be seen at the Edmonton Exhibition to better relations between the rural and urban sectors of the province and to bring to public attention the high ideals of agriculture, its opportunities and its awards.

To be eligible for the Alberta Farm Family Award, a family must look to farming as its main source of income, and must not have won a major agricultural award such as the Alberta Government's Master Farm Family Award.

Judging is based on the scale of farm operations; utilization of modern techniques; involvement in programs such as 4-H Clubs and agricultural short courses; appearance and upkeep of farms; condition of buildings, machinery, land and roads; quality of production, marketing; awards won and family participation.

Community involvement also holds a high place in scoring for the Awards, taking into account a family's involvement with social organizations, business associations, local government, service club work, youth organizations, charitable groups and other organizations. Points also are given for awards won in the field of community endeavor, and the family's success as a viable unit.

Following a luncheon and presentations, the Award winning families were guests of the Edmonton Exhibition Association

and enjoyed a day at the fair. They attended the Rowan and Martin Show in the Gardens at 7 p.m., while on the Exhibition Grounds.

Good Progress Reported on Grass Greens

Favorable progress has been made on the installation of grass greens on the number 7, 8, and 9 holes at the Drayton Valley Golf Course. Play is not interrupted by the work on the greens that will be ready for play next year.

Club members are doing the work on the new greens and plan to go ahead with the remaining six holes next year.

Memberships are still available for golfers and prospective club members. Annual fees are men, \$25; ladies, \$15; children, \$10; and family, \$40. For the balance of this year half price fees are in effect.

People who speak lovingly of the ties of friendship never received some of the birthday presents hanging in our closet.

"Name in Space" Contest

You can "put your name in space" by entering the Public Competition to name Canada's Domestic Communication Satellite. Above Communications Minister Erick Kierans holds one of the posters describing the competition and which will be displayed in all Post Offices. (In foreground: A model of Canada's first satellite -- Alouette I)

Attend Convention

'Record Breaking' is the expression used by Drayton Valley delegates in describing the eight-day International "Peace on Earth" Assembly of Jehovah's Witnesses from which they have just returned. They were among

the 65,600 persons who shattered all attendance records by packing out the Empire Stadium and overflowing to fill the Pacific Coliseum in Vancouver, B.C., Sunday, July 20th.

A girdle is an elastic supplement to stem reality.

Edson Team Wins Weekend Tourney

The Edson Edsonettes came through in convincing fashion to take the Drayton Valley Ladies Fastball Tournament held at the Lions West Valley Park last Sunday afternoon. Six teams took part in the tourney; Breton, Edson, Entwistle, Darwell, Lindale and the host team from Drayton Valley.

The Edsonettes defeated Entwistle 15-4 in the opener while Darwell edged Lindale 15-13. In the second round Edson left Breton behind to the tune of 22-5

while Drayton Valley came through over Darwell 21-16. This set the stage for the final between the Drayton Valley girls and the Edsonettes. The game was scoreless for a couple of innings, then the Edson team started pulling away with a couple of runs in the third inning, one in the fourth and a couple more in the fifth. Edson was in full control in the later part of the game to win it 11-0 and take the tournament.

BERRYMOOR NEWS

Mr. and Mrs. Edward Van Emmer are the proud owners of a new car.

Mr. and Mrs. Donald Martin spent a few days holiday in B.C. while there they visited relatives in Prince George and toured the historic gold town of Barkerville in the Caribou country. Their daughter, Mrs. Mae Tryon, took care of the post-office while they were away. She was assisted by Linda and Joan Pischke.

Walter Joneson's farm sale was held last Friday but due to the rain and muddy roads, the attendance was somewhat cut down. But, never-the-less quite a number of people attended.

The Berrymoor Three B's Club held a meeting and clean up day at the cemetery on Saturday, July 27th. The club members want to express their thanks to Eugene Schwartz for his kindness in discing the land which adjoins the cemetery.

Mrs. Donald Martin and her son Fred, motored to Faust, near High Prairie over the weekend. Mrs. Martin worked in this area 25 years ago and has not seen it since then. Many memories were brought back and a vast number of changes noted. While in Faust they visited with Mr. and Mrs. L. Malin and family.

ENTWISTLE NEWS

Several Entwistle people have had the lucky streak lately as the following have done some winning. Mr. Ed Conrad won the 1969 Plymouth drawn at the Klondike Days sponsored by the Kinsmen. Mr. H. Sawatsky won a trip to Vancouver on the Windfall program recently. Mrs. Addie won the Community League Bingo Jackpot on July 17th to the sum of \$190. Little Ronnie Eaton of Seba Beach won the polaroid camera that the Entwistle Fire Department raffled at the Bingo on the 17th. Mr. Fred Buxton of Edmonton was also lucky to have won the 1969 Plymouth at Klondike Days on July 21st. Mr. Buxton is the former Myrna Miller's husband. Good luck to all the Entwistle people and their relatives for their winnings and keep it up.

We of the district wish to express our sympathy to Mrs. Jim Reid in the recent death of her brother in England. Our thoughts are with you at this time.

Dale Willoughby and Leslie Burke have gone to the Cadet Camp at Shilo, Manitoba.

Pat Smith and Debby Nelson have gone to camp at Surprise Lake.

Mr. and Mrs. Jack Smith have moved into town and are making their home next to the dress shop.

LODGEPOLE NEWS

The following complete staff has been selected for the coming school year in Lodgepole: Jasper Moore of Stony Plain, Principal; Mr. Hyde, Grades 8-9; Mrs. Reed of Stettler, Grades 6-7; Miss Langer of Edmonton, Grades 4-5; Mrs. Hyde, Grades 2-3; and Mrs. Fagervold, Grade 1. Mr. and Mrs. Hyde are here from England. Grades 6, 7, 8 and 9 will be departmentalized.

It is hoped many will pre-register and pay book dues during the week of August 25th. School will be open from 8:30 a.m. to 4:30 p.m. Contact Mr. Moore for any information pertaining to school. Phone 894-3673 or his home at 894-3564.

Mr. and Mrs. Maurice Allen of Evansburg are custodians for the school.

Work will start shortly on converting all school units to natural gas.

Mrs. Bertha Erickson will be school secretary.

Mrs. G. Pederson, Mudell and Nadine and grandchildren left to spend a week in Churchbridge, Saskatchewan.

Mr. and Mrs. W. Maxwell and small son John have returned from holidays in B.C.

HORTICULTURAL WEEK AT OLDS

The fifth Alberta Horticultural Week will be held at the Agricultural and Vocational College at Olds from August 11th to 16th.

The six courses, varying in length from one to three days, are intended to provide green house operators, commercial floral designers, judges, nurserymen, parks personnel and homemakers with the latest developments in the horticultural industry.

The floral design school will offer the basic principles in this subject. The growers' clinic will cover such topics as poinsettia culture, cucumber and tomato production as well as effective marketing strategies. The judging school is intended for anyone desiring more knowledge and experience in judging various horticultural classes including home and public grounds, sheaves and threshed grain. The nurserymen's clinic, designed for agricultural fieldmen, parks personnel and nursery operators, will deal with the prevention and control of diseases and insects in woody ornamentals.

The homemakers flower arranging course, open to anyone, is a basic course in arranging cut flowers from the garden.

Applications for any of the courses should be sent to the Department of Extension, University of Alberta, Edmonton, not later than August 7th. Further information about the program can be obtained from the same source.

WARBURG NEWS

The Warburg Sports Day was held on Saturday, July 19th. Prizes for the parade were: Honorary went to the Royal Canadian Legion No. 205; Agricultural, to the 4-H Club; Old Timers, One Stop Service of Sunnybrook; Original, Mrs. Free of Sunnybrook; Best Decorated Bike, Jimmy Gorvath; Best Horse to M. Sabo, with Eddie Stenger riding.

Mr. W. Enjeneski and children from Wabamun visited his mother at the Blunt Nursing home in Leduc. They also attended the Warburg Sports Day and visited the home of Mr. and Mrs. J. Jones. Mrs. Jones is Mr. Enjeneski's sister.

Marie Stenger and Joan Skoye attended a Youth Camp at Provost for the past week.

Some of the Warburg students who have obtained summer employment in the city are, Donna Stenger, Virginia Leahy and Lucy Lutczysyn.

Clarence Hudson from Campbell River, B.C. visited his parents Mr. and Mrs. Henry Judson of Warburg and also his twin brother Emile in Edmonton.

Congratulations are in order for Mr. and Mrs. Erid Ohm. They returned Saturday evening from a two-week trip from Victoria and the interior of B.C.

Mr. and Mrs. Gerard Paukstat and Mr. and Mrs. Angus Laurie participated in a curling bonspiel in Nelson, B.C. this past week. There were no prizes but they gained invaluable experience.

Mr. and Mrs. Cecil Williamson from Taber were visiting this past week at the home of Mr. and Mrs. Ron Williamson and Warburg area.

Mr. and Mrs. Earl Gaunt and family motored to Lake Louise via the David Thompson Highway for the weekend.

Kerry Paulovick and Eleanor

Schamhorn of Manning visited at the home of Mr. and Mrs. Earl Gaunt this past week. Linda Gaunt and Raymond Cawiec accompanied them on a motor trip to Miette Hot Springs and Jasper during their stay.

Mr. and Mrs. Tom Ellis and Garry Bredin and A. Rekwycyk were on a trail ride as Jasper National Park this past week.

Mrs. Margaret McIntyre from Vulcan, her mother Mrs. Weber from Milo and her brother John Weber pulled in to visit Mr. Martin Hoffman.

Mr. and Mrs. Wilfred Gennbank and family of Wabamun spent the weekend at the home of Mrs. Mary Leahy enroute to Fernie, B.C. to attend a wedding of Mr. Greenbank's niece.

GOAT SEASON ANNOUNCED

The Minister of Lands and Forests, the Honourable Dr. J. Donovan Ross, announced recently that there has been a Mountain Goat hunting season declared in Northwestern Alberta for 1969. This special season will be in effect from September 21st to October 18th and will be restricted to that portion of Wildlife Management Unit S442 which lies approximately west of the Sulphur River and south of the Smoky and Muddywater Rivers.

Dr. Ross said continual decline in goat populations elsewhere has necessitated a complete closure on goat hunting throughout the remainder of the Province.

There was a man who hadn't kissed his wife in 10 years -- then he went out and shot a guy who did.

WABAMUN NEWS

The Laundromat is coming along nicely now and we hope it will soon be ready to use.

Mr. C. Bartsch is still in the hospital. We hope he will soon be home.

Stephan Anderson is visiting his aunt and uncle Mr. and Mrs. L. Burke at Rimbey.

Mr. and Mrs. Gordon Hancock and family are home again after a wonderful trip to B.C. They visited Mrs. Hancock's brother, Alfred Anderson, at Whonnock and then went on to Vancouver. On the way home they stopped at Banff for a while. They said the weather was fine so they really enjoyed themselves.

Mr. and Mrs. K. Skutle have the former's brother from Seattle visiting them for a short time.

Mr. and Mrs. E. McDonald have a fine baby boy, who was born on July 17th and weighed 8 lbs. 2 ozs.

Mr. and Mrs. George Sarich had the former's brother Peter and family of Hanley, Saskatchewan visiting them last weekend.

Mr. and Mrs. Matula have their nephew from Edmonton visiting with them at the present time.

The Sarich family were fishing near Jasper recently, but their luck was very poor. Never mind, try again, you may have better luck next time.

Mrs. E. McDonald has her mother and two brothers, the Vollreth's of Edmonton staying with her just now.

Mrs. Albert Bourguignon is in the hospital at Stony Plain at the present time. We hope you will soon be feeling better and be home again Adeline.

Mrs. A. Loyer is visiting with her sons Joe and Dennis and their families for a few days.

It is difficult to predict the future of an economy in which it takes more brains to figure out the tax on our income than it does to actually earn it.

Boychuk, Assistant Secretary-Treasurer.

SPRUCE GROVE TENDERS
The School Committee was advised that the following tenders for the proposed Spruce Grove School were received: Contractor, Base Bid, Alternate Price Grainwood and Separate Price Stage Lighting in consecutive order. W.J. Bennett Contractors Ltd., 748,612, 2,185, 4,298; Summit Construction Ltd., 748,148, 69, 4,000; Universal Construction Ltd., 738,685, 2,638, 4,298; Forest Construction Ltd., 726,942, 1,260, 3,998; H.D.C. Construction Ltd., 715,807, 2,640, 4,298; Camwil Construction Ltd. 747,000, 3,500, 4,300; Prism Construction Ltd., 745,141, 2,638, 4,298; State Construction Ltd. 743,000, 2,600, 4,298; Norman Nilson Construction Ltd. 774,444, 2,500, 4,100; Briden Construction Ltd. 730,000, 2,638, 4,298.

The School Committee was informed that a gross area of 33,088 square feet of floor area for this project was approved, and at \$16.68 per square foot this would bring a revenue of \$551,908. The contribution of approximately \$66,000 by the Village of Spruce Grove would pay for the Architect's fees and for furniture and fixtures. This means that it would require \$162,899 from current revenue if the lowest tender of the above was accepted.

INTERVIEW WITH ARCHITECT

Stan Hodgson, Architect, came to see the School Committee regarding the tenders for the Spruce Grove School. He explained that because of the unusual soil conditions the cost of the building is approximately \$15,000 higher. The change in the sales tax refund from 4% to 3% reduces the revenue by approximately \$7,000. Cupboards and sinks in the Science room, normally considered as furniture and equipment were included in the contract together with landscaping for which there is no support from the School Buildings Board. The Architect, together with the School Committee reviewed the specifications and explored what items could be deleted to bring the cost down. After a short study it was noted that the tender price could be reduced by at least \$50,000 without going into too much detail.

It was moved and carried that the Architect be instructed to negotiate with the lowest bidder on the Spruce Grove School with a view to bringing the cost down as close as possible to the amount allowed by the Foundation Program.

SPECIAL MEETING

It was moved and carried that a special meeting be held on Friday, July 25th at 2:00 p.m. to consider the revised tender for the Spruce Grove School.

In reference to Resolution No. 311 of the May meeting it was reported that the School Facilities Committee has not met, as yet, to revise the clause concerning the services of the janitor.

It was moved and carried that resolution No. 311 of May 8th, 1969 be rescinded and that the policy regarding the use of School Facilities remain as it is.

SCHOOL SITES
A letter was written to the Secretary-Treasurer of the Town of Stony Plain regarding the availability of land for school purposes. However, to date, no reply was received.

Mr. T. W. Johnson submitted a report on land for school building purposes in Drayton Valley.

It was moved and carried that the Building Committee be empowered to meet with officials of

the Town of Drayton Valley with a view to obtaining an option on land suitable for a school site.

It was moved and carried that the recommendation of the School Bus Committee be accepted and that Henry Singer be paid \$1.00 per day for extra trips in Spruce Grove.

It was moved and carried that Mr. Ivan Vowk and Mr. W. Barth be authorized to have Herman Steinke's bus appraised, negotiate a purchase price with him, and that this bus and route be advertised.

SUPERINTENDENT'S REPORT

Mr. Henry Toews reported to the School Committee on the staff situation in the County. He advised that he still requires 4 teachers; 2 for Lodgepole, 1 for Duffield and 1 for Entwistle.

According to the present count

there will be nine teachers more on staff this year than last year; the increase being in Stony Plain, Spruce Grove and Drayton Valley.

Mr. Toews further reported that an application for Statement of Need has been prepared for permission to build in Drayton Valley.

STATEMENT OF SCHOOL NEED

It was moved and carried that application be made to the School Buildings Board for permission to construct a Junior-Senior High School in Drayton Valley consisting of the following 14 classrooms, three Science Laboratory classrooms, three ancillary classrooms, one library, one language laboratory, one two station industrial arts laboratory, one two station home economics area, two dressing rooms and Physical Education office; a business education suite consisting of one typing, one merchandising, and one multi-purpose classroom; an administrative area consisting of principal and vice-principal's offices, a secretary and general administrative area; a staffroom

and staff work room together with staff lavatories and general storage; plus such other non-instructional areas that are deemed necessary to provide a functional educational unit and fall within the limitations set forth in the Regulations under the School Buildings Act. The Superintendent's report was accepted.

ASSISTANT SUPERINTENDENT'S REPORT

Mr. W.G. Wilson reported that he has worked on a recommendation on a Text Rental Policy but it has not been finalized as yet. He stated that his recommendations are as follows: (a) No change in rate of fees to be charged. (b) Books to be paid for at the schools by September 30th. Collections after that date to be made from the County Office. (c) All teachers to settle their accounts with the office by October 15th. Mr. Wilson further reported that his Committee does not have any firm recommendations on the Music Program or School Library policy as yet. The Assistant Superintendent's report and recommendations were accepted.

It was moved and carried that the Boden teacherage in Entwistle be repaired in accordance with the Maintenance Supervisor's recommendation, the cost not to exceed \$2,000.

It was moved and carried that E.W. Hillyer be authorized to engage additional temporary help for the Painter, Mechanical Handy Man and for the Carpenters.

It was moved and carried that the 2 portable classrooms purchased be set up at Drayton Valley.

It was moved and carried that one portable school in Drayton Valley be moved from the Elementary school to the Junior High School.

It was moved and carried that metal partitions be installed in the Seba Beach washrooms.

It was moved and carried that that partitioning of the Duffield Gym Stage be left to Mr. Henry Toews and Mr. W.G. Wilson.

It was moved and carried that the vacuum cleaners in Wabamun, Tomahawk and Keephills be replaced if necessary.

It was moved and carried that E.W. Hillyer be authorized to negotiate for exterior painting at Drayton Valley at his discretion.

It was moved and carried that material be provided for a fence around the teacherage in Duffield on the condition that Mr. N. McRobie provide the labor to erect it.

TENDERS FOR KEEPHILLS TEACHERAGE

The following tenders for the old teacherage at Keephills were received: Drayton Valley Towing \$160, Keith Porter \$400, Harry W. Partridge \$406. It was mentioned that the Recreation Council could probably make use of this building.

It was moved and carried that the matter of the old Keephills teacherage be referred to the Recreation Council for consideration.

It was moved and carried that the small garden tractor be made available for use when required by the school maintenance department.

It was moved and carried that E.W. Hillyer be authorized to take water samples and to negotiate for possible installations to eliminate the soda and nitrate content in the water at the Keephills and Seba Beach Schools.

It was moved and carried that the matter of plug ins at the Drayton Valley Schools be referred to the Maintenance Supervisor for investigation and a report to the School Committee. The following applications for the Lodgepole caretaking were received: Mr. and Mrs. Henry Elliott; Mr. and Mrs. George Cotton; and Mr. and Mrs. Maurice Allen.

It was moved and carried that Mr. Maurice Allen be engaged as head janitor at the Lodgepole School at \$275 per month and Mrs. Allen as assistant caretaker at \$85 per month with duties to commence immediately.

PROPOSED SALARY SCALE SCHOOL SECRETARIES

The committee presented the following recommended Salary Scale for School Secretaries to Principals and for Teacher Aides: Part Time - Hourly, \$1.90 per hour. Half-time - Category 1, \$140 per month. Category 2, \$160 per month. Monthly - Category 1, 1-\$215, 2-\$235, 3-\$250, 4-\$265, 5-\$280, 6-\$295. Category 2, 1-\$240, 2-\$265, 3-\$290, 4-\$315, 5-\$340, 6-\$355. Teacher Aides-- 1-\$275, 2-\$300, 3-\$325, 4-\$350, 5-\$375, 6-\$390. Sick Leave Allowance - 10 days per year. Unused portion to accumulate to a maximum of 50 days.

It was moved and carried that the foregoing salary scale for school secretaries and teacher aides be accepted and that school secretaries be paid on an 11 month basis, of which 2 weeks is to be annual vacation to be taken in July or August and 2 weeks for necessary duties at the school immediately after closing in June or prior to opening in September.

DEBENTURE

INTEREST RATES

A letter was received from the Alberta Municipal Financing Corporation containing the following information:

"Due to rising interest rates it has become necessary for Alberta Municipal Financing Corporation to increase the interest rate it charges on debentures purchased from Municipalities, School Boards and Hospital Boards.

Effective immediately, the interest rate to be charged by the Corporation will be increased from 7½% per annum to 8% per annum on all applications processed by the Corporation from this date. Your By-laws presently quote an interest rate not to exceed 8% per annum, which will suffice for the present, but it is suggested that you might consider quoting an interest rate not to exceed 9% for all future By-laws."

OPERATION OF CAFETERIA

As at June 30th records show the following financial situation in the operation of the cafeteria

in the Memorial Composite High School from January 1, 1969 to June 30th, 1969:

Expenditure	\$4,243.09
Revenue	\$3,633.84
Deficit	\$ 609.25

It was moved and carried that the principal of the Memorial High School be instructed that the cafeteria must operate on a break even basis with some allowance for depreciation on equipment.

It was moved and carried that the age limit for school bus drivers be increased from 65 to 68 and reduced by one each year until it comes back to 65.

SCHOOL BUS RATES SPECIAL TRIPS

The School Bus Committee presented the following recommendation for rates for special trips:

Capacity	1/5 of basic	per mile
24	\$4.00	.22¢
30	4.20	.23
36	4.40	.24
42	4.80	.26
48	5.00	.28
54	5.20	.30
60 & over	5.40	.30

It was moved and carried that the foregoing rates for special trips for school buses be accepted.

The School Bus Committee presented the following report on the turnaround on Mr. Steve Borynec's driveway.

"The School Bus Committee recommends that no action be taken, as we feel that this driveway is quite adequate to complete a safe turn around for a school bus."

It was moved and carried that the recommendation of the School Bus Committee on the Steve Borynec driveway be accepted.

SCHOOL BUS RATES LODGEPOLE

It was moved and carried that the School Bus Committee be authorized to set up the bus routes in the Lodgepole area.

The School Bus Committee reported that after investigation it was found that another school bus in that area can pick up George Martin's overload and that it will not be necessary for him to purchase a larger bus.

It was moved and carried that George Martin be advised that he will not need a larger school bus.

CLASSIFICATION OF BUS DRIVER'S LICENSES

The School Bus Committee presented the following report on classification of Bus Drivers Licenses: "The Committee finds that of the total number of bus

drivers for the County of Parkland Schools is 73 with classifications as follows: 42 with A Plus licenses and 31 with A licenses.

The School Bus Committee suggests that the school committee set up a policy on classifications of licenses for all County bus drivers."

It was moved and carried that the report of the School Bus Committee on classification of School Bus Drivers' licenses be accepted for information.

It was moved and carried that the matter of policy on classification of Bus Driver's Licenses be tabled.

J.M. Mulders, of Ottawa, right, shows CDA Plant Protection Division colleagues, H.H. Krushel, of Winnipeg, left and A.C. Schmidt, of Guelph, center, Holland's tulip district. The three, led by Mr. Krushel, are in The Netherlands examining bulbs destined for Canadian markets.

D. V. Highlights

BY MRS. EDITH DEBY

Our sympathy is with Mrs. Rex (Dorothy) Burrows whose father, Mr. Alex Sim, passed away in Winnipeg after a lengthy illness.

Mrs. Law has had a two week session in hospital and I join all her friends in hoping that she will soon feel completely well again.

Before leaving Bristol, England on July 22nd, Mrs. Leif Stordalsvoll telephoned an uncle who sent birthday greetings with her to his brother, Mrs. Stordalsvoll's father, Mr. Cording at Blue Ridge. Mrs. Stordalsvoll was able to deliver the message the same day, not quite as fast as the 'moon men' travel, but still very fast.

Mr. and Mrs. Ralph (Dark) Schurman are holidaying in Jasper and the Okanagan.

It is with regret that we learned that the Bramhills will be leaving soon. Constable Bramhill has been transferred to Stony Plain.

Mrs. Edward Hill has joined her husband in Swan Hills. Kathie will attend school in Edmonton this year since grade twelve is not offered in Swan Hills.

Mrs. Helmer Johanson, of Lumbey, B.C. has been visiting old friends at Violet Grove, Lodgepole and Drayton Valley for the past few days.

Mrs. Ernest McCauley, the former Edith Erickson, of Wembley returned to her home after several days visit to relatives and friends here. Mrs. Vance Erickson and Mrs. Arvett Erickson took her in the latter's car.

Lindsay and Karen Machan have just returned from a long-to-be remembered trip with their maternal grandfather. Their itinerary included Montreal, New Hampshire, New York and Yellowstone Park.

The Marcel Rocques will be leaving next month to make their home in Rocky Mountain House. Sorry to see you go folks.

Mr. and Mrs. John Wales of Pleasantview, Saskatchewan are visiting their son-in-law and

daughter, Mr. and Mrs. Ross Betten. At present the family is holidaying in Jasper.

Mrs. Joan Reynolds will spend most of the month of August with her son-in-law and daughter, Mr. and Mrs. Chester Farnsworth in Fort St. John. Mr. Chester Miller will also be the Farnsworth's house guest.

Constable Rod MacDonald, who made many friends here when he was with the local detachment of the R.C.M.P. has just been put in charge of the town detachment of the R.C.M.P. in Claresholm. The appointment comes with a promotion to the rank of corporal. Since leaving Drayton Valley Corporal MacDonald has been stationed in Stony Plain.

Mr. Charles Weigum, of the Treasury Branch staff, has been transferred to Medicine Hat and has been promoted to the position of assistant accountant.

Miss Rosemary LeClair ac-

THE WESTERN REVIEW

Drayton Valley, Alberta
July 30, 1969

accompanied by a friend, Miss Penny Connelly of Vancouver, were recent visitors at the home of her grandmother, Mrs. A. Boufford and Aunt Louise. They spent an enjoyable week but were astounded by the thunder and lightning -- something they had never heard or seen before.

From Surrey, B.C. visiting their mother and sister, Mrs. Boufford and Louise are Mrs. F. Kreklau and Mrs. L. LeClair and son Keith. They plan to visit for a week.

Mrs. K. Creelman and son Kim of Edmonton, formerly of Drayton Valley, were visitors at the Boufford home. Mrs. Creelman, who has just returned from one year in England, says she is very happy to be back on Canadian soil.

Ramona News

Congratulations to Mr. and Mrs. Walter Brezina (nee Sharon Ennis) who were married on Saturday, July 26th. A reception was held in the Ramona hall then the couple's many friends and neighbors enjoyed a wedding dance. We wish Sharon and Walter many happy years together.

Eleanor and Keith Davis had a house full of company on the weekend with relations coming from Edmonton and Saskatchewan for Sharon's wedding.

Happy Birthday this week to Kathy Stewart July 29th, Dorothy Blake and Mikey Blatkevicz July 30th, Rhonda Fletcher July 31st, Helen Darragh, Alberta Brisebois and Holly Fletcher August 3rd, Ruth Mohr August 5th and Jannette Blatkevicz August 6th.

Sincere sympathy to Gary and Gina Armstrong. Gary's cousin was killed in an accident at Ft. St. John on the weekend.

We hear the Earl Rasmussen family is on holidays. Happy holidays folks.

MAGNOLIA NEWS

Predators struck at two farms this past week. Orris and Dorothy McWillis lost a four hundred pound calf and Ray and Della Storms had a half-grown lamb decapitated. These predators are hard on animals and hard on pocket-books too.

Did you young folks who wish a job see the notice for the "Youth Employment Service?" The office is situated in Entwistle and Jan Nobert is in charge of it.

The Magnolia Saddle Club attempted to have a trail ride on Sunday, July 20th but was rained out. During this same storm, lightning struck a stook of ten hay bales on Albert Knudsen's farm. Even though it was raining heavily at the time, eye witnesses saw the bales burst into flames. After eleven months spent

with relatives in Sweden, Miss Wanda Thomeus returned to her home this past week. She reports having a wonderful visit, but is glad to be home.

The folks in this community will be very happy to hear that Miss Wendy Ostershek, niece of Allan and Brenda Walker, has recovered from her accident which occurred while playing baseball. She spent several days in hospital at North Battleford, Saskatchewan, where she was holidaying. Her brother, Eldon, stayed with Allan and Brenda from July 17-19.

Al and Alma Roth with their daughter, Coreen, have arrived home safely from their trip to Jasper, Banff and Calgary. They enjoyed fine weather and a good trip.

Sunday visitors with Ray and Della Storms were Phil and Shirley Storms and family of Edmonton and Babe Storms of Drayton Valley.

Roger Webber of Edmonton is visiting with his grandparents, Orris and Dorothy McWillis for several days.

Two young ladies of the community, Debbie and June Checkotko, are presently in Edmonton where they are attending Klonsike Days. We hope you enjoy your visit.

The baseball game which was scheduled for the afternoon of Sunday, July 20th, between Magnolia and Darwell, at Magnolia was rained out.

Residents in this area are grateful for the gravel which was spread on the road this past week. The roads had become very bad indeed.

FALLIS NEWS

Congratulations are sent to Audrey and John Wittenburg on the arrival of a beautiful baby daughter, Michelle Tammy, 9 lbs. 4 1/2 ozs on June 30th.

Miss Linda Berry, a member of the Fallis 4-H Food Club won the club's efficiency award. She was awarded a trip to Olds for a week as her prize. Congratulations Linda.

Mr. William Barker, who has been a patient in the Stony Plain Hospital for the past several weeks has been transferred to an Edmonton hospital for further treatment. All the best of wishes are sent to Mr. Barker.

Sympathy is extended to the Milner families on the recent passing of Mr. John Milner of Edmonton. He formerly resided in Fallis.

Mr. and Mrs. Jim Orchison and Mrs. R. Noble spent a recent weekend in Edmonton where they attended Klondike Days.

Mr. Carl Schnell has returned to his job in B.C. after spending some time at home with his family.

Patti Rae Harris of Edmonton celebrated her birthday at the home of her grandparents Mr. and Mrs. Ray Patrick on July 23rd.

DATSUN 1000

the newest thing in the small car world

The newest thing in the small car world is happening now! It's the Datsun 1000 and it comes in two deluxe models — 2-door and 4-door. Both are sporty small cars that look good, feel right and go great! And practically all they need to run on is your love.

more horses

These Datsuns deliver more horsepower and perform better than other cars anywhere near the price. The new Datsun 1000 produces 62

wild horses and winds up to 84 MPH on the road. And for every gallon you'll go 35-40 miles. What's more, Datsun gives you 100,000 mile reliability.

fun way to drive

Datsun 1000 seats four in comfort or five if you squeeze a little. You get a slick-smooth 4-on-the-floor gear shift that puts the fun back into driving. And the rugged suspension takes anything the dirtiest roads dish out. Handling?

Great. Talk about turning on a dime — this is as close as you'll get — a tight 26 ft. turning circle. Suddenly parking is a cinch!

all the good things

In the comfort department you get reclining bucket seats, soft textured but hard-wearing vinyl upholstery that sneaks air around you as you drive, instant-acting 2-speed heater/defroster, real carpets and cigarette lighter. You also get: white walls,

bumperettes, a double horn, two padded sun visors, 2-speed wipers, windshield washers, padded dash, safety harnesses and a rust-resistant body. There are also a couple of options if you want them: a clock and radio — but they cost extra. Sorry about that. There are more than 150 dealers coast-to-coast in Canada and \$1,000,000 in parts to back you.

Recreation Round-Up

by
Mike Gormley

NEPTUNE TEAM STRONG

We are enjoying a very successful season at the swimming pool but no commentary would be complete without the mention of the Neptune Swim Club. This competitive swimming group got its start when the pool was first opened in 1963 and has developed into a very formidable swim team.

At our annual swim meet held at the local pool last Saturday the Neptune team won the day with a very comfortable margin. The meet itself was excellent with a total of 66 events, starting at 12:30 p.m. and finishing around 7:00 p.m. Competition

was very keen from start to finish with teams from Camrose, Fort Saskatchewan, Devon and Edson as well as the host team taking part. The weather was perfect and without a doubt this was the finest meet held here to date.

The Neptunes now hit the circuit for meets in other towns. They have already visited Hinton and Devon where they gave good accounts of themselves. Now it's off to Edson, Fort Saskatchewan and Camrose during the next three weeks. It is expected that a number of the local swimmers will also compete in the regional and provincial finals which will be held during the latter part of August.

Best of luck to our Neptunes, one of the finest of our athletic groups. This club has great leadership, plenty of desire and a good share of natural ability.

HOCKEY CAMP NOTES

Things are progressing very well in the organization and promotion of the Drayton Valley Summer Ice Hockey Camp. As of July 30th, a total of 78 boys ranging in age from nine to seventeen years have been signed and scaled to take part in the Camp. It is expected that the total final registration will reach the 120 mark. Many persons who answered the survey form in May are still unheard from and a good number of local boys who previously indicated an interest in this school have not registered as yet.

Camp Director, Clare Drake, is pleased with the progress of the promotion and registration and is optimistic that the final registration will be sufficient to conduct a successful school in every respect. If you have not registered for this hockey camp and plan to do so, register now. The sooner we can get the registration completed, the better we will be able to organize the different phases of the camp program.

It was visitor's day at the MacDougalls on Sunday, July 20th. Guests included, Mr. and Mrs. Wesley McCracken and family, Nora MacDougall, Mr. and Mrs. Emie Schriener and June Muschell, all of Edmonton.

Ruby and Paul Walker of Edson spent a few days here with Paul's sister and family, Mr. and Mrs. G. Raymond. Mr. and Mrs. A. Homme also joined them on Saturday evening. They returned to Edmonton on Monday evening. Elsie Calkens of St. Albert and her two children are spending a week with her sister and family Mr. and Mrs. Roy Raymond and family.

Roger MacDougall is enjoying a holiday trip into B.C. with an aunt and uncle, Mr. and Mrs. Ed McCracken and family of Stony Plain.

Wayne Bacon spent a week with relations at Jasper. His aunt Brenda Clark brought him home on Friday of last week.

Mrs. LeGrand went to Edmonton last week to see her sister and family, Mr. and Mrs. Tony Byrne and four children, leave for a holiday trip to Ireland.

Roger and Curtis Raymond of Edmonton are spending a few days with the Edge's.

KEEPPHILLS NEWS

Investigate Before Investing

Be on your guard if you receive an offer from a contractor who wants to exchange prefabricated farm buildings for grain!

Bruce Brown of the Edmonton Better Business Bureau reports that there are a number of firms operating in Alberta which have sent out circulars to all parts of the province offering to exchange prefabricated farm buildings, and homes, or to provide home improvements, in exchange for damp grain. These men should be very carefully checked because the Better Business Bureau has received complaints about their past business dealings. Since they classify themselves as contractors rather than salesmen, they don't have to carry a license.

There are two or three other operators, says Mr. Brown, who are taking orders for prefabricated machinery sheds. These buildings are the long arch-rib type structures for storing combines, tractors etc. Again, Mr. Brown urges farmers to investigate the reputation and integrity of the salesmen before parting with any money. Get the names of people in the district that have dealt with them and find out what they received for their money and how satisfied they are, he advises.

The golden rule -- never sign a contract or give a deposit until you have done all your investigating. If you have put out \$500 or \$1,000 and then hear

that your neighbor down the road has been waiting for a year and a half for delivery of his goods, it's too late to do anything.

EVANSBURG NEWS

There is a slogan that advertisers use to the effect that it "Pays to advertise". In this case you might say that "it pays to get your name in the paper". It seems that an old friend of the Hutchinson family, who now is living in Ontario, was reading through the paper called the "Western Producer". In the 4-H news, he happened to see the name Shirley Hutchinson in connection with 4-H activities and recalled that many years ago the Hutchinson family had mentioned moving west and to Evansburg. Therefore, as this man was motor-ing west to the coast, he was able to stop in and see these friends who had long been gone from the area.

The members of the Beef and Forage 4-H clubs, along with the Clothing club members went to the city to tour the Provincial Museum and Archives as well as

the International Airport. All reported having had a good time and after their arrival at our place some of them proceeded to work on the float which they took to the Edmonton Exhibition parade. Eight of the members went with the float to the parade and reported having placed third in their category. Fine going kids.

By the time this is in print, three 4-H members, Ted Bruner, Field Crops; Allan Mazeppa, Beef; and Dawn Brown, Clothing, will have returned from a week at Olds where they went for Club Week.

Two members of the Beef Club who attended the Youth Seminar in Edmonton were Caroline and John Rosadiuk. Byron Brown also attended the Youth Seminar.

Following is a list of the students who take piano lessons from Mrs. Elizabeth Tkachyk,

and their results obtained from the Royal Conservatory of Music from Toronto: Mary Tkachyk - Grade III, first class honors; Ruth Tkachyk - Grade I honors; Sandra Rimmer - Grade II pass; Constance Rimmer - Grade II pass. Congratulations kids.

Visiting at the home of Mr. and Mrs. Justus Otto was Mr. Gunnar Rehn from Vancouver. Mr. Rehn travelled by air from his home to come here and that in itself is quite a feat as he is only 84 years young. He has now gone on to visit friends and relatives in the Wildwood area.

Mr. and Mrs. Ivan Brown also have a visitor from far away. At their home enjoying our Alberta summer is Mr. Tom Mitcheson from Manchester, England.

Some folks back from their various holiday jaunts are Mrs. Helen Marshall, Mr. and Mrs. Brennstuhl and Mr. and Mrs. Keast and their family. Also home from a tour of Europe are Mr. and Mrs. Newhold and son Frank. During their tour of Europe, Mr. and Mrs. Newhold saw Holland, Germany, Austria and Yugoslavia and even went to the border of Hungary. This is the border next to Germany where there is a seven wire fence and a large lookout tower. Mrs. Newhold has two sisters and one brother in Czechoslovakia whom she has not seen since leaving there in 1923. Since they are now in Germany she was able to have a good visit with all of them. The Newholds found the Austrian people very friendly, more so than some of the other Europeans. These people were very proud to show the Newholds the beauty of their country and took their visitors for long drives.

In Germany, many of the tourist attractions were visited, the zoo where there are animals from all over the world; the flower gardens with cactus plants in a great number of sizes and varieties; roses were plentiful and Mrs. Newhold tells me there are 75 different colors of blossoms. Their tour of Yugoslavia revealed very lovely looking crops but quite different from our grain fields. In that country, rye and barley are grown but no

wheat or oats is grown at all. The sights of Holland were confined mostly to Amsterdam. The houses built on the canal banks were very intriguing, as well as the two storied houses which are much different than the homes in this country. The roads in all the countries although very good, proved to be much narrower than our roads.

The Newholds travelled to Europe by Wardair Ltd. and flew

directly to Amsterdam where their tour began. All in all, it sounds like they had a very fascinating trip and that they enjoyed themselves to the utmost. This warm weather has seemed to have brought its share of summer colds and upset digestive systems and our own household has been quite upset since Mr. Bruner was taken to an Edmonton hospital following a tractor accident.

TOMAHAWK NEWS

Mr. and Mrs. Jack Wooden senior, accompanied by Mrs. Wooden's sister and husband, have just returned from a holiday through the states.

Dr. and Mrs. McCall from Fort MacLeod, were recent visitors at the home of Mr. and Mrs. Ulrich Wiedemann of Tomahawk.

Mr. and Mrs. Evert Pryor and family took a trip to B.C. last week. They visited Kamloops and Salmon Arm, where Mrs. Pryor's mother and a brother reside.

Mr. Robert Shepel Jr. and Mr. Edward Dusterhoft went on a holiday to Jasper.

Mr. and Mrs. Bill Wyness, Marilyn and Robbie from Blue-sky, Alberta were recent visitors at the homes of Mr. and Mrs. Arthur Earl and Mr. and Mrs. Lloyd Earl of Tomahawk.

We were indeed sorry to hear that Mrs. Snider, one of Tomahawk's senior citizens, was involved in a nasty accident. Mrs.

Snider, her daughter, granddaughter and a great grandchild, and son-in-law, were apparently hit by a truck and all were hospitalized at the Royal Alex Hospital, except the youngest child. We sincerely hope you'll soon recover Mrs. Snider with no ill effects and be back in Tomahawk again as we miss you.

Miss Donna Pryor of Tomahawk, is now working at the Overlander Lodge at Jasper, so if any of her friends are out that way, stop in and say hello to her. I'm sure she would appreciate it.

The Tomahawk married ladies ball team won their first game of the play offs against Entwistle 23 to 19. Next game is Friday night at Tomahawk.

"Whaddya mean, 'Number Please?'" said the slightly tipsy man in the pay telephone booth. "You got my dime. Now give me my peanuts."

How Does Your Garden Grow?

By Green Thumbs

With the local Flower Show less than a month away, those of you who usually exhibit roses, dahlias, gladioli etc., will no doubt be inspecting your gardens every day, and wondering if you have any promising specimens.

Particular attention should be given to the job of disbudding roses and dahlias which you intend to exhibit, as this procedure helps to develop a much larger and well formed bloom. Disbudding consists of pinching out the tiny side buds with thumb and finger as early in their development as possible.

Removal of these buds in their early stages will leave no scars. Exhibits showing evidence of recent disbudding will most likely lose a few points. Proper disbudding results in long stemmed vigorous blooms.

From the time gladioli are about 8 or 9 inches high, they should be carefully staked to develop good straight upright blooms.

Gladioli that are exhibited with crooked stems will lose points even if the blooms are large.

The blooms should be evenly spaced and should have no gaps. The facing of the florets is also very important, and each spike should contain some buds not showing colour, some partially open, and some fully open.

If you cut your blooms the night before, carefully tie each spike to a long piece of wood and stand upright in a fairly tall

vase or milk bottle. This helps to keep them straight, as very often once they are cut and brought in doors, they will be inclined to face every direction except the way you want them to. A rough guide to how many florets should be open on a spike of gladioli, is to allow about 1/3 open, 1/3 half open, and 1/3 in bud.

With roses the best stage of development for exhibition is about 1/2 to 3/4 open. Hybrid Teas and all long stemmed varieties should have a few leaves, but no buds. The Floribundas, Grandifloras, and all bush type roses are best shown as they are naturally grown, with all leaves and buds.

BUCK CREEK NEWS

The last meeting of the B.C.W.W. was held at the home of Mrs. Bertha Simpson. The next meeting will be at Mrs. Gail Fowler's on September 18th.

Mrs. Mary Johnston, Mrs. Alex Wright and Mrs. Addie Fentz from Bertle, Manitoba have been visiting at the Dave Johnston home.

Mr. and Mrs. Reed of Chilikewack were visitors at the Ken Gailey home.

The annual clean-up day at the cemetery was held on the 13th, with people from Edmonton assisting local residents.

The Gordon Steffensons and Al Bara families were among the people from Buck Creek to attend Klondike Days this week.

Mr. Henning Hallgren reports having a good time in Sweden visiting friends and relatives.

Your Want-Ad is seen in 3,000 homes.

BURTONSVILLE NEWS

Paul and Ruby Walker and Axel and Emma Homme had supper with Gordon and Marie Raymond on Saturday. Paul and Ruby had been into the city and took in the big parade. Their son Arnold's wife Margaret and children went to Edson to spend a week's holiday with them on Tuesday.

Dick and Lily Wheadon and family and Melvin and Rene Homme are all on holidays at this time. Cecil and June Homme and children visited Cecil's sister Bernice Osbak and family on Sunday at St. Francis and were there when the big storm hit. Lightning struck the power line close to the house knocking it to the ground. Power was off for about four hours before repairs were completed.

Burtonsville area in the river valley missed the hail but the heavy rain did some damage to gardens.

Clayton Greanya was visiting his son Eldon and family on the weekend. Ira and Garry are staying with Eldon for their holiday. Their cousin Wesley Draves is also with them from Edmonton.

David Tattersall is helping his brother Edward with the haying at Keepphills.

Rita Mykduk and son Kerry and Mary Tattersall visited Mr. and Mrs. Homme on Tuesday.

Driving school instructor to befuddled lady novice at the wheel: "You still have a few minutes of your lesson left. Shall I show you how to fill in the accident forms?"

WILDERNESS OUTWARD BOUND PILOT PROJECT

FOR YOUNG MEN 17-21

AUGUST 17 to 31

A new outdoor recreation program will be introduced to Alberta this summer. Under the direction of the Outward Bound Steering Committee of Alberta in conjunction with the Recreation Branch, Alberta Department of Youth, a wilderness Outward Bound pilot project will get underway at Collie Creek in the Willmore Wilderness Park area, August 17 to 31.

A rigorous outdoor camp and field trip program for young men age 17 to 21 is planned around such activities as mountaineering, rock climbing, orienteering forest fire prevention, first aid and rescue service training, wilderness familiarization and survival skills. Enrollment fee for the 14-day course is \$85.00 and each applicant must submit proof of good health. The Outdoor Education Division of the Recreation Branch will provide the necessary specialized equipment.

ENROLLMENT IS LIMITED TO 20

COST \$85.00 inclusive of expert tuition, food, tent accommodation and all transport as of Hinton, Alberta.

For information and application forms fill and return the coupon below:

PRICE SUMMARY**

On Wednesday, July 23rd the Regular Sale showed good feeder steers selling from \$34.00 to \$37.00 per cwt. with light ones to \$39.50 per cwt. Medium type feeder heifers traded around 27.00 per cwt. Butcher cows sold from \$19.00 to \$23.00 per cwt. Stock cows traded around the \$300 mark. Weaners traded from 13.00 to 21.25 depending on size and quality. Bred sows traded to a high of \$122.50 per head.

**MOON LAKE
NEWS**

Many of the local residents motored to Sangudo on the evening of July 19th to express their congratulations to Mr. and Mrs. Leo Burki on their 50th wedding anniversary. Since a few years ago Mr. and Mrs. Burki and their son Dan and family resided south of Entwistle on a farm known as the River Isle Farm. Congratulations to Mr. and Mrs. Leo Burki from some of your friends that were unable to make it on your special day.

Mr. and Mrs. Victor Lang and family were away for several days to Rosebud, Alberta where they visited with Victor's sister and family, Mrs. Strukell. Jean Lang and Mike Marchician looked after the chores while they were away.

Mr. and Mrs. Otto Hansen and family have recently returned home from a three day trip stopping at Drumheller to visit Mr. and Mrs. Stanley Alexander and at Pincher Creek to visit Mr. and Mrs. Tom Patterson and family. Mr. and Mrs. Gordon Hunsley and girls from Kitimat, B.C. looked after the farm chores in their absence.

Gary Lang was bitten by a dog while at a birthday party, he required three stitches under the eyebrow and five stitches behind the ear. Anyway the wounds are healing nicely.

An organizational meeting regarding a Postal Rural Route was held in the Millbank F.U.A. Hall on July 19th. A good attendance was had from each community interested and pros and cons were discussed. Mr. Albert Martin was elected President and Mrs. Carol Namchuk Secretary. Canvassers in charge were appointed for each district, so they will be around in the near future for your yes or no. It sure would be convenient to walk out to your gate and pick up the mail, wouldn't it folks?

Home for the weekend from Ferintosh were Mr. and Mrs. Larry Carnegie and Corina.

DRAYTON VALLEY

the **Bay**

Baycrest

Provides these safeguards:—

- Five year food spoilage insurance
- Longtime protection policy
- Full warranty and guarantee

Every unit undergoes thorough testing for cabinet strength and durability; quietness and efficiency of the refrigeration system under normal and extreme operation conditions, and thorough inspection of the electrical system. These individual tests assure the highest quality standards throughout the entire unit. Assurance of dependable, long-life freezer performance.

Baycrest freezers come in 3 Convenient Sizes

<p>15.2 cubic feet</p> <h1>199</h1> <p>Holds 500-550 lbs.</p>	<p>20.2 cubic feet</p> <h1>229</h1> <p>Holds 700-750 lbs.</p>	<p>23.0 cubic feet</p> <h1>249</h1> <p>Holds 765-790 lbs.</p>
---------------------------------------------------------------	---------------------------------------------------------------	---------------------------------------------------------------

Buy the one best suited to your needs on convenient Bay Credit.

- 15.2 cu. ft. has 1 basket, others 2.
- 23.0 cu. ft. has 2 dividers, others 1.

- Fast Freeze Coils: Faster and uniform action from complete surrounding design. Seamless steel copper coated tubing throughout
- "Drywall" Condenser Coiling: No Fan, No Sweat. Heat is dissipated through tube welded to inside of outer cabinet.
- Hermetically Sealed Tecumseh Compressor.
- "Zero Safe" Cold Control.
- "Hi-Density" Fiberglas Insulation.
- "Hi-Impact" Polystyrene Lid Liner: Lustrous, moisture and odor proof . . . Easy to clean.
- *P.O.M. Signal Light: The silent sentry tells when power's off . . . Gives that all important *Peace of Mind.
- Magnetic Sure Seal Gasket.
- Top quality, heavy gauge steel used throughout . . . Steel braces and supports welded into one rigid piece.
- Heavy Steel Base Skids: Double skids hold cabinet rigid under heavy food load. Easy to move without damage to floors.
